Selection panel:

President of the Jury:

Helder Tiago da Silva Lopes, Invited Professor Equivalent to Assistant Professor at the Institute of Social Sciences at the University of Minho

Effective member:

Vitor Patrício Rodrigues Ribeiro, Invited Professor Equivalent to Assistant Professor at the Institute of Social Sciences at the University of Minho

Juliana Araújo Alves, Researcher Colaborator at Lab2PT at the University of Minho

Substitute Members:

Paula Cristina Almeida Cadima Remoaldo, Full Professor at the Institute of Social Sciences at the University of Minho

Lígia Maria Marques de Oliveira Torres Silva, Associate Professor at the School of Engineering at the University of Minho

The first effective member will substitute the President of the selection panel in case of impediment, being nominate the first substitute member in the place of the first effective member.

Criteria and procedures for applications assessment and selection: The applications assessment will focus on the candidate's Merit, following evaluation criteria, valued on a scale of 1 to 5 values (or another scale):

A. Applicant Merit - AM (70%):

A.1.: Academic path (considering the classifications of academic degrees), with a weighting of 50%;

A.2: Personal curriculum (considering professional and scientific background), with a weighting of 40%, highlighting the following aspects: domain of bibliometric analysis tools; domain of statistical and cartographic analysis programs (IBM SPSS or JASP and ArcGIS or QGIS); interpersonal communication skills; and research experience in the area of tourist climatology.

A.3: Motivation letter, with a weighting of 10%.

The classification of the merit of the candidate (MC) will be obtained by applying the following formula:

$$\mathbf{MC=(A1*0,5) + (A2*0,4) + (A3*0,1)}$$

Candidates classified in the first 3 (three) positions, as long as they obtain a minimum classification of 3 (three) in the MC, will be admitted to the Interview phase, and the Jury will evaluate the following subcriteria:

B. Interview – ENT (30%):

B.1: Interpersonal skills (30%)

B.2: Demonstrated knowledge in the area of the tender (40%)

B.3: Motivation (20%)

B.4: Language skills (10%)

The Interview classification (ENT) will be obtained by applying the following formula:

$$\mathbf{ENT=(B1*0,3) + (B2*0,4) + (B3*0,2) + (B4*0,1)}$$

The final classification (CF) of the Merit of the candidate (MC) and Interview (ENT) will be obtained by applying the following formula:

$$\mathbf{CF= (MC*0,7) + (ENT*0,3)}$$

The jury reserves itself the right not to award the fellowship if there are no candidates the appropriate profile for the tender.

The academic degrees and diplomas documents, or their respective recognition when awarded by foreign higher education institutions are not mandatory in the application phase, being replaced by a declaration of honor of the

candidate with the contents of academic results. The documents of academic qualification or respective recognition will be required in the contracting phase and must attest facts that occurred on a date prior to the application. In situations of divergence between the information contained in the declaration and the documentation submitted for contracting the grant, only the information contained in the latter will be considered. If the documents proving the ownership of the academic degree and diploma, or the respective recognition under the terms of Decree-Law No. 66/2018, of August 16, do not correspond to the classifications awarded in the evaluation of the academic path, which can change the candidate's ranking, the fellowship won't be contracted.

Notes: *Applicants with degrees obtained abroad must present proof of recognition of qualifications in Portugal and conversion of the final classification obtained in them to the Portuguese classification scale or declaration under the terms indicated in the previous point. Candidates who do not comply with one of these provisions, the selection panel will assign "0" in the grade of the graduation and/or master course. Candidates will be evaluated on the remaining parameters.*

Disclosure of results: The provisional results of applications, based in the selection panel minutes, will be sent to the applicants by email until 90 working days from the applications deadline.

If case of unfavourable results, the candidates have a period of 10 working days to comment, if desired, in a prior hearing to interested parties, pursuant to articles 121 and 122 of the Code of Administrative Procedure (DL no. 4 / 2015 of January 7th).

[The hearing of the interested parties, if excluded, should be justified accordingly with article 124° of CPA]

Complaint and appeal procedures: The final results of the evaluation will be published through an ordered list (*alphabetically, by final grade obtained*), posted in a visible and public place of the host unit, as well as by email to all applicants, enclosing for that purpose, the minutes of the jury deliberations.

The selected candidate must inform its willingness to accept the grant, in writing. In case of rejection, the fellowship will be awarded to the next candidate in the ordered list of applicants.

The final decision can be contested within 15 working days, by sending to the President of the jury the corresponding claim. Interested parties may also submit an optional hierarchical appeal, in the terms of the number 3 of article 13 of Regulation of Scientific Research Fellowships of the University of Minho (RBIC).

Application deadline and submission: The call for applications is open from 31/07/2023 till 11/08/2023.

Applications must be formalized, mandatorily, by sending an email accompanied by the following documents:

- a) Candidate's curriculum vitae;
- b) Qualification certificate(s) mandatorily specifying the final classification and, if possible, the classification obtained in all subjects taken, or, in alternative, a declaration of honour by the candidate.
- c) For degrees obtained abroad, registration of recognition of academic degrees granted by foreign higher education institutions and registration of the conversion of the respective final classification to the Portuguese classification scale, or, alternatively, a declaration of honour by the candidate;
- d) Motivation letter.

Applications must be sent by email to info@lab2pt.uminho.pt, indicating the reference of the call for applications in Subject (Lab2PT/UIDP-04509/28). Applications submitted by other means will not be accepted.

Fellowship contractualization: The fellowship will be attributed by signing a fellowship contract between the University of Minho and the fellow, accordingly with the contract minute (annex IV of the Regulation of Research Fellowships of the University of Minho (RBIC), published in *Diário da República, 2nd Série, no. 119*, through dispatch no. 6524/2020 of 22-06-2020, ratified by ratification declaration no. 447/2021 of 22-06-2021, as indicated in 2.4 of the FCT document: "[Rules for Granting and Management of Grants within the scope of R&D projects, including infrastructure projects, the multi-annual financing program for R&D units and other FCT financing instruments \(Version 2021\)](#)".

The contract may only be concluded after all the documentation required is collected, which must take place within a maximum period of 6 months [including evidences of the academic degrees or diplomas and enrolment in degree courses or non-conferring courses, depending on the type of scholarship].

Once all the documentation has been received, the contracting entity has a period of 60 working days to conclude the scholarship contract. Once received, the fellow must return the contract duly signed within 15 working days.

The activities under the fellowship contract can only began after proper authorization by the contracting entity.

Term and cancellation of fellowship contracts: Without prejudice to the other causes provided the fellowship regulations (FCT and UMinho) and in the Statute of the Research Fellow, the fellowship ends with the completion of the work plan, as well as with the expiration date for which it was granted or renewed.

At the end of the fellowship, the grantee is obliged to present a Final Report of the work carried out, in accordance with the objectives and evaluation criteria defined with the scientific advisor, within 30 days after the end of the scholarship.

The **final report** must be prepared in accordance with Annex I of the Scientific Research Fellowships Regulation of the University of Minho (RBIC), published in *Diário da República, 2nd Série, no. 119*, through dispatch no. 6524/2020 of 22-06-2020, ratified by ratification declaration no. 447/2021 of 22-06-2021.
