Applications must be formalized, mandatorily, by sending an email accompanied by the following documents:

- a) Candidate's curriculum vitae;
- b) Qualification certificate(s) mandatorily specifying the final classification and, if possible, the classification obtained in all subjects taken, or, in alternative, a declaration of honour by the candidate.
- c) For degrees obtained abroad, registration of recognition of academic degrees granted by foreign higher education institutions and registration of the conversion of the respective final classification to the Portuguese classification scale, or, alternatively, a declaration of honour by the candidate;
- d) Motivation letter.

Applications must be sent by email to info@lab2pt.uminho.pt, indicating the reference of the tender in the Subject "Lab2PT/RARAA/14". Applications sent by other means or extemporaneous will not be accepted.

12. Evaluation and selection criteria and procedures:

The evaluation of the applications will focus on the candidate's Merit, being applied the following evaluation criteria, valued on a scale of 0 to 5 points:

A. Merit of the candidate - MC (100%):

A.1: Academic path (which reflects the classifications of the academic degrees), with a weighting of 35%;

A.2: Personal curriculum (which reflects the scientific and professional path), with a weighting of 55%, evincing the following aspects: Experience in recording and processing digital archaeological data; Experience working with QGIS Geographic Information Systems and Experience working with web pages.

A.3: Motivation letter, with a weighting of 10%.

The classification of the **Merit of the Candidate (MC)** will be obtained by applying the following formula:

$$\mathbf{MC=(A1*0,35)+(A2*0,55)+(A3*0,1)}$$

The **Final Classification (FC)** of the candidate will be obtained through the classification of the **Merit of the Candidate (MC)**, through the application of the following formula:

$$\mathbf{FC= MC}$$

The jury reserves itself the right not to award the fellowship if there are no candidates the appropriate profile for the tender.

The documents proving the ownership of academic degrees and diplomas, or the respective recognition when they have been awarded by foreign institutions of higher education, can be dismissed in the application phase, being replaced by a declaration of honour of the applicant, occurring the verification of this condition only during the contracting phase of the fellowship. This declaration of honour must address facts that occurred on a date prior to the application. In situations of divergence between the information contained in the declaration of honour and the documentation delivered for the purpose of the contract for the fellowship, only the information contained in the latter will be considered. If it occurs that the documents proving ownership of the academic degree and diploma, or the respective recognition under the terms of Decree-Law no. 66/2018, of 16 August, do not correspond to the classifications attributed in the evaluation of the academic path and may consequently change the candidate's ranking, the fellowship contracting will not be made effective.

Note: Candidates with degrees obtained abroad must present a proof of recognition of those qualifications in Portugal and a conversion of the final classification obtained in the degree to the Portuguese classification scale or a declaration in the terms indicated in the previous point. To the candidates who do not comply with one of these provisions, the jury will assign the minimum grade in the degree and / or master's course grade, according to the defined scale of values.

13. Composition of the Selection Jury

President of the Jury:

Engineer Natália Maria Costa Botica, Degree 3 Level 1 Informatics Specialist at the Archaeology Unit of the University of Minho

Effective vowels:

Maria do Carmo Franco Ribeiro, Associate Professor of the Department of History of the University of Minho

Fernanda Eugénia Puga Magalhães, Assistant Professor of the Department of History of the University of Minho

Substitute vowels:

Rebeca Blanco Rotea, Auxiliary Investigator at the Landscape, Heritage and Territory Laboratory at the University of Minho

Paulo José Correia Bernardes, Degree 2 Level 1 Informatics Specialist at the Archaeology Unit of the University of Minho

In case of impediment of the President of the Jury, he/she will be replaced by the first effective vowel, being appointed the substitute vowel to replace the effective vowel.

14. Dissemination of the Results

The evaluation results project, based on the minutes, will be sent to candidates by email, pursuant to article 12 of the FCT's RBL.

If the result is unfavourable to the granting of the requested fellowship, candidates have a period of 10 working days to pronounce themselves, if they wish, in a prior hearing to interested parties, pursuant to Articles 121 and 122 of the Administrative Procedure Code. (DL No. 4/2015 of January 7th).

(The waiver of the hearing to interested parties must be based on the terms of article 124 of the CPA)

15. Complaint and Appeal Procedures:

The final results of the evaluation will be publicized through an ordered list (alphabetically, by final grade obtained), posted in a visible and public place of the host Unit, as well as through e-mail to all candidates, attaching, for this purpose, the minutes with the deliberations of the jury.

The selected candidate must express in writing the intention to accept the scholarship. In case of non-acceptance, the scholarship will be awarded to the candidate in order of final ranking.

A complaint can be interposed against the final decision, within 15 working days, addressed to the President of the Jury. Interested parties may also submit an optional hierarchical appeal, addressed to the Pro-Rector for Research and Projects, Professor Sandra Paiva.

16. Documentation to be provided for contracting

The selected applicant must express his / her intention to accept the scholarship in a written response. In case of non-acceptance, the fellowship will be awarded to the candidate by the order of the final ranking.

For the purpose of contracting the fellowship, the winning candidate(s) must send the following documents:

1. Individual identification form (minute sent by email)
2. Fellowship usufruct history (certificates/declaration of honour);
3. Declaration of acceptance of the fellowship (minute sent by email);
4. Copy of the civil, fiscal and, when applicable, social security identification document(s);
5. IBAN;
6. Copy of the qualifications certificate for the academic degree required in the opening notice of the tender or proof of enrolment in a course of non-academic degree and/or presentation of the registration of recognition of foreign academic degrees and conversion of the respective final classifications to the Portuguese rating scale, if applicable;
7. Curriculum Vitae;
8. CIÊNCIA ID (requires registration on the platform <https://www.cienciaid.pt/CiencialD/HomePage.aspx>);
9. Declaration of exclusivity (minute sent by email).

The failure to deliver any of the documents necessary to complete the fellowship contracting process, within 6 months from the date of communication of the decision conceding the fellowship, implies the forfeiture of said conceding and the termination of the process.

17. Mandatory documents for contracting:

The granting of the fellowship is carried out through the signature of a contract between the Universidade do Minho and the fellowship holder, in accordance with the contract minute (annex IV of the Regulation of Scientific Research Scholarships of the University of Minho – order n° 6524/2020 of 22-06-2020, rectified through rectification statement No. 447/2021 of 06-22-2021) in its updated version in accordance with point 2.4 of the "[Norms for Granting and Management of Fellowships in the context of R&D Projects, including infrastructure projects, from the pluriannual financing program for R&D units and other FCT financing instruments \(Version 2021\)](#)".

Without prejudice to the other predicted causes in the applicable fellowship regulations (FCT and UMinho) and in the Research Fellowship Statute, the fellowship ends with the conclusion of the contracted work plan, as well as with the end of the period for which it was granted or renewed. At the end of the fellowship, the fellowship holder is obligated to present the Final Report of the accomplished work, in accordance with the objectives and evaluation criteria defined with the scientific advisor, within 30 days after the end of the fellowship. The **final report** must be elaborated in accordance with annex I of the Scientific Research

Fellowships Regulation of the Universidade do Minho - order No. 6524/2020 of 06-22-2020, amended by rectification statement No. 447/2021 of 06-22 -2021. Contract template and final report template ([link](#)).

Fellowship contracts can only initiate after due authorization from the contracting entity.

18. Reserve/substitutes list: in case of cancellation of the fellowships, within 6 months after their attribution, the vacancy(s) will be filled by the candidate(s) from the list of substitutes, according to the final order.
